Addicted to My Thug Ari, Miss Jenesequa
Being addicted to a thug never felt so bad but… felt so good too.

Naomi Evans, the ordinary kindergarten teacher, a devoted mother of two and wife to her loving husband, Tyree, never would have imagined falling for a fine ass street king.
Naomi and Tyree have been together since their freshman year in college and he is all that she knows. Three years of marriage to the love of her life seemed perfect… At first. She made the money, he stayed at home with the kids. To many it seems that they are living the New American Dream and to Naomi there is no greater feeling than being with her family.

However, that all suddenly changes once she meets a sexy thug named Marquise who desires Naomi from the very moment he lays eyes on her. With just the flash of that million-dollar smile, his cocky attitude and irresistible lips, Naomi becomes intoxicated in Marquise and lets him seduce her on the very first night of their meeting. Ashamed and guilty for stepping out on her husband, Naomi tries her best to forget her encounter with Marquise, but as life continues to throw him in her path, she finds him harder and harder to resist.

Marquise suddenly opens Naomi's eyes to a world of pure ecstasy that she never knew existed, as he pushes her beyond her limits. Limits that Tyree could never dare to reach.

Naomi is now torn between the only life that she's ever known and the life that she has now become so addicted to. And to make matters worse, she begins to drift away from her family in order to get her daily fix with her new addiction. But that isn't even the best part… Her new addiction has no idea about his competition waiting for Naomi to come home every night. So how will he react to finding out that Naomi Evans isn't the sweet, single, innocent but freaky girl she made herself out to be?

Only time will tell…
