Blood is the Sky: An Alex McKnight Mystery (Alex McKnight Novels) Steve Hamilton

Before *Blood is the Sky*, the Alex McKnight series had already hit bestseller lists and won awards, but this novel took it to a whole new level. Set in the forests of northern Ontario, a land of savage beauty and sudden danger, *Blood is the Sky* shows why Steve Hamilton is one of the most acclaimed crime novelists writing today.

Alex McKnight isn't a man with many friends, but the few he has know they're never alone in a fix. So when Vinnie LeBlanc asks for his help in taking a trip deep into Canada in search of his missing brother, he knows he can count on Alex. His brother had taken a job as a hunting guide for a rough crew of Detroit "businessmen." The group was due back days ago, yet there's been no sign of them, and there's mounting evidence of something odd about their disappearing act. The trackless forests of northern Ontario keep many secrets, but none more shocking than the one that Alex is about to uncover. And the more closely Alex looks for answers, the more questions there become.
