Escape Velocity (Valiant Knox) Jess Anastasi

Rebuilding his life. And rediscovering love...

Ilari, Brannon System, 2436

At first, Dr. Sacha Dalton is simply curious about the prisoner of war admitted to her med-lab...until she sees who it is. For Commander Kai Yang—the commander of the battleship Valiant Knox—has long been thought dead. Killed in action. But after almost a year and half, he's returned home. Returned to *her*.

Kai is recovering from his ordeal and under the watchful care of Sacha, his childhood friend and the widow of his best friend. Only now, their friendship has grown and deepened into something far deeper, and far more complicated. Yet as Kai's body recovers, his psyche remains broken. How could he ever be the man he was, and the man Sacha deserves? But an intergalactic war has a way of forcing a man to be the hero he was always meant to be...

From reader reviews:

Diane Reid:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each reserve has different aim or even goal; it means that publication has different type. Some people really feel enjoy to spend their time to read a book. They can be reading whatever they take because their hobby is actually reading a book. What about the person who don't like studying a book? Sometime, person feel need book whenever they found difficult problem or perhaps exercise. Well, probably you will want this Escape Velocity (Valiant Knox).

Coleman Jones:

What do you consider book? It is just for students since they are still students or the item for all people in the world, the actual best subject for that? Merely you can be answered for that problem above. Every person has different personality and hobby for every single other. Don't to be pressured someone or something that they don't would like do that. You must know how great in addition to important the book Escape Velocity (Valiant Knox). All type of book would you see on many solutions. You can look for the internet methods or other social media.

Elvis Harris:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your time to upgrading your mind ability or thinking skill actually analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your small amount of time to read it because this all time you only find publication that need more time to be go through. Escape Velocity (Valiant Knox) can be your answer because it can be read by a person who have those short extra time problems.

Dianne Janelle:

Reading a guide make you to get more knowledge from it. You can take knowledge and information coming from a book. Book is prepared or printed or descriptive from each source that filled update of news. In this modern era like currently, many ways to get information are available for an individual. From media social like newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just looking for the Escape Velocity (Valiant Knox) when you necessary it?
