**Heart's Desire** Kasey Martin
Charlene “Charlie” Heart knew that she was in over her head at the first sight of Jacob “Jake” Cameron. The tall, tan, broad shoulder, emerald-eyed, sexy specimen took her breath away, but as sexy as he was, Charlie could tell that he would be dangerous for her heart. However, the chemistry between the two of them was undeniable. Jake knew at first sight that the ebony goddess was his, and no matter how fast she tried to run, he would stop at nothing to make sure that she, as well as everyone else, knew that they belonged together. Will these two find the love their heart’s desire, or will outside dangers keep them apart? This BWWM book contains hot and steamy love scenes between a sexy alpha male and a sassy, gorgeous, black female.

**From reader reviews:**

**Angela Heller:**

Reading a reserve tends to be new life style with this era globalization. With examining you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Books can also inspire a lot of people. Plenty of author can inspire all their reader with their story or their experience. Not only the story that share in the textbooks. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some study before they write with their book. One of them is this Heart's Desire.

**Bobby Hall:**

Spent a free time to be fun activity to accomplish! A lot of people spent their down time with their family, or their friends. Usually they performing activity like watching television, likely to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your free time/ holiday? May be reading a book might be option to fill your totally free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to test look for book, may be the publication untitled Heart's Desire can be excellent book to read. May be it may be best activity to you.

**Patsy Hall:**

A lot of people always spent their own free time to vacation or even go to the outside with them friends and family or their friend. Are you aware? Many a lot of people spent they will free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity that is look different you can read some sort of book. It is really fun for you. If you enjoy the book that you simply read you can spent all day long to reading a reserve. The book Heart's Desire it is quite good to read. There are a lot of people that recommended this book. These folks were enjoying reading this book. If you did not have enough space to develop this book you can buy often the e-book. You can m0ore easily to read this book out of your smart phone. The price is not too expensive but this book provides high quality.

**James Ritchey:**

Playing with family in the park, coming to see the sea world or hanging out with pals is thing that usually you have done when you have spare time, and then why you don't try issue that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Heart's Desire, you could enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't understand it, oh come on its known as reading friends.
