Secure in Heart: Overcoming Insecurity in a Woman's Life Robin Weidner
Being secure in heart is about knowing who God is, who Jesus is, who you are, and being able to apply this knowledge in a way that sets you free. With openness about her battles with insecurity, she walks boldly, yet gently, into readers' hearts and helps them answer with faith the questions that rise from deep within. For each of these questions, the author shows how to identify Satan's false securities and then how to overcome them by understanding and applying God's nature. Through stories from her life and the lives of other women, Weidner brings this ""hidden"" struggle into the light, giving women confidence to engage their battle and fight for their true heritage as daughters of God. Includes an in-depth study guide to help individuals and groups internalize the truths from this needed resource.
