The Cowboy's Dark Love

William has set out on his own in the wilds of the undeveloped western territories, leaving behind his wealthy eastern seaboard family. Opal is a runaway who has no destination in mind, just a past. When their paths cross, neither is prepared for the change it will bring to their future.

Pregnant and Rescued by the Cowboy

Penelope was the kind of girl that stood out in a crowd. Dark skinned, tall and living in an era where it's nothing but cowboys and guns. Fired from her job because she refused to give up her baby, she ran away and was trying to figure out how she would get back home with limited funds.

The local Sherriff sees Penelope and has never been able to resist helping a damsel in distress.

Dave doesn't need a job, or the money. He's the Sherriff because he enjoys his job. Instead of just taking Penelope back to the local inn, he offers her a job. Something about her draws him and he's not ready to see her go.

The two of them hit it off, and eventually Dave asks her to marry him. He believes in waiting for marriage and is the kind of honorable kind of guy that is once in a lifetime. Penelope is worried that the differences will cause problems, but Dave doesn't seem to care what anyone else thinks.
Will her past catch up to her and keep her from being able to marry Dave?
