That 2x3 business card you've been handing out to people is outdated. After a conference, you chuck most, if not all of the cards you've collected. Or put them in a box that eventually ends up in your garage, or a corner somewhere in your office. Can you guess what others do to your 2x3 card? Having a 2x3 business card no longer distinguishes you above your competitors. Why? Because your business card is one of 10 BILLION handed out every year in the U.S. alone. Hold on -- there's hope! There's a new way of promoting yourself, your product and services, your business - to potential clients and customers. It's the "new kid on the block" -- the new wave of business cards. Introducing "Your 21st Century Business Card!" When you acquire "Your 21st Century Business Card", you can ...build authority ...become a recognized industry leader ...magnetically attract Qualified Buyers ...market your business 24 x 7 ...position yourself as the "Go-To-Person" in your field, profession, trade or industry ...distinguish yourself above your competitor ...use it to promote you, your products and services, and your business, in a way thatt propels you ahead of your competitors ...clearly convey your unique value to your potential clients ...Include more than enough information into Your 21st Century Business Card so that your potential clients actually "hunt you down." And you become the "hunted" instead of you always doing the "hunting" ...convince your prospects, that you are the expert they've been looking for -- and that your product or service is the solution they really want ...and deliver incredible value that helps your prospective Customers get to KNOW you, LIKE you and TRUST you -- WITHOUT sounding "SALESY." ALL this inside "Your (very own) 21st Century Business Card."
