Gordon W. Smith

A Historical and Legal Study of Sovereignty in the Canadian North: Volume 1: Terrestrial Sovereignty (Northern Lights) Gordon W. Smith
Gordon W. Smith's 1952 dissertation from Columbia University on "The Historical and Legal Background of Canada's Arctic Claims" remains a foundational work on the topic, as does his 1966 chapter "Sovereignty in the North: The Canadian Aspect of an International Problem," in R. St. J. Macdonald's The Arctic Frontier. This work is the first in a project to edit and publish Smith's unpublished opus—a manuscript on "A Historical and Legal Study of Sovereignty in the Canadian North and Related Law of the Sea Problems." Written over three decades (yet incomplete at the time of his death in 2000), this work may well be the most comprehensive study on the nature and importance of the Canadian North in existence. *Volume 1: Terrestrial Sovereignty* provides the most comprehensive documentation yet available on the post-Confederation history of Canadian sovereignty in the north.
