CP Hidden Treasures, Volume III (Volume 3) Ann Kullberg
Hidden Treasures is a fond and enthusiastic tribute to the best of the artists who submitted work for the 4th volume of CP Treasures, but who were not accepted for inclusion in that book. With over 800 entries this year and only 120 spots available in CP Treasures, you can imagine the agonizing decisions made, especially since there were far, far more than 120 stunning piece submitted. So this volume honors those works that, while not included, still shine with bright and beautiful light. Where else in the world can you see over 160 colored pencil works gathered in one spot? What an amazing showcase this volume is, of talent, inspiration, energy and most of all, passion for our beloved medium – colored pencil. Gathered in one book like this, it can’t help but bring the viewer awe and wonder at what colored pencils in the hands of so many, can do. They may not actually be hidden, but the images in the following pages are certainly treasures!
