One of the areas that the pick up artist and seduction communities tend to avoid like the plague is dance floor opening and attraction techniques. Most people avoid this aspect of the game because they feel like you need to be some super talented dancer to pull anything from the dance floor. In actuality this is far from the truth, and with a little bit of practice you can conquer what has been called by some, the El dorado of pickup.

The key to dance floor success is non-verbal. Dance Floor Game Unleashed details everything needed to get your mind, body, and soul ready to dominate the Dance Floor.

We put together this comprehensive book after years, yes years of experience figuring out what works and what does not work on the dance floor, distilling it all down into a 50 page guide that will have your friends floored and your future lovers begging for more.

With Dance Floor Unleashed by your side easily correctable mistakes will no longer stand between you and success.
