Desired Discipline: Volume One Tori Carson
Bondage Anniversary Laura refused to say ‘obey’ at their wedding. Now Nick thinks he’s found the key to her obedience. Will Laura fall into line or rebel against his unfair sex-tactics? Nick has tasted Laura’s submission and can’t get enough. Now he wants his headstrong, stubborn wife collared once and for all. When a disgruntled ex-employee sets Laura in his sights, the stakes become deadly. Nick must bring Laura to heel before it’s too late. Laura is both enchanted and repulsed by the platinum and diamond slave collar that Nick is determined she will wear permanently. While Laura loves and gladly accepts his domination in the bedroom, he demands more. Nick will stop at nothing until he owns her body and soul. Laura fears losing her independence, but one incredible orgasm at a time, Nick is drawing her further into his silky web of bondage and dominance. After Laura is attacked, she learns there is more to being a good submissive than simple obedience. If they are going to find their happily ever after, Laura must be strong enough to battle both Nick’s demons and her own. Bondage Celebration Can bondage save a marriage? Once Nick uncovers Laura’s hidden desire for BDSM, there’s no going back. Laura craves his touch, but Master Nick wants more than her body. He demands her total submission. Laura can only find the excitement she so desperately craves between the covers of the latest BDSM novel she reads alone in their bed. Then one night Nick, her loving, cater-to-her-every-whim, vanilla sex husband discovers her hidden library. To her everlasting surprise, he decides their anniversary getaway is the perfect time to turn her fantasies into reality. Before he can put his plan into action, Nick must figure out how to tell his wife she’s actually married to a Dom. More than that, Nick is also part owner of DiscipliNation, a successful chain of kink clubs and an erotic toy manufacturing company. Can he dominate his lovely ‘ballbreaker of the boardroom’ wife—while keeping his balls intact? Laura’s treacherous body revels in Nick’s domination. As a natural submissive, she thrives under his strict, unyielding command. He trains her to respond to his every touch and the line between pain and pleasure blurs— so much pleasure, she’s lost in it. Laura craves his firm hand, yet his sin of omission shakes her trust. She willingly offers her body, but guards her heart. Quickly, she learns Master Nick isn’t just a hotter-than-hell, leather clad, flogger wielding alter ego. Dom isn’t a role he slips on like a mask. It runs in his blood, defines his personality and once unleashed, there’s no going back. Master Nick won’t play at D/s. The gift of her body isn’t enough. He demands her total submission.
