Eightysixed: Life Lessons Learned Emily Belden

“Eightysixed is like a recipe for life and love and I feel honored to be one of the ingredients.” —Celebrity Chef Floris Versluijs—

This expanded second edition of Chicagoan Emily Belden's Amazon Best Selling tell all book is a must read for every Millennial. Emily has no idea what to do with her twenty-something life — particularly as it pertains to love — which is a tough problem for a hopelessly romantic half-Jew who's fresh out of a failed relationship.

But if “figuring it all out” and “wanting it all” were Olympic sports, Emily would have been a gold medalist in both categories. Never one to admit defeat in the face of the enemy, Emily gets back in the dating ring again and again.

But, the more she tries to make her therapist proud, the deeper down the rabbit hole she goes.

While recovering the pieces of her broken heart, straight-A Emily’s dating world morphs into a mad soirée of drug addicts, embezzlers, perverts, and pimps.

Just as she begins to believe that a bottle of wine might be her only shot at happiness, a chance encounter with a man she never should have met resets Emily’s buttons.

What she experiences next satiates her heart, her soul, and her stomach, as she frees herself from the perils of her mid-twenties and becomes exactly who she is supposed to be.
