Being on rivaling sides of an ancient planetary feud, can they bring themselves to share their feisty mate? Can they accept that their mate is from one of the planets that theirs is fighting against? Either way they may have to spank her rear-end for driving them insane. When old enemies and ever present danger comes closer, Kria must trust not only her mates but a member of her family that she never knew about. The only way they can survive is to overcome eons old hatred and learn to trust in each other. But can they and their friends stay alive long enough to accomplish this?
