My First Summer in the Sierra: Illustrated Edition

John Muir

My First Summer in the Sierra: Illustrated Edition John Muir
In My First Summer in the Sierra John Muir recounts his early travels in the Sierra while working as a shepherd. In the summer of 1869, Muir set out from California’s Central Valley with a flock of 2,050 sheep and made his way to the headwaters of the Merced and Tuolumne Rivers. As one of America’s great philosopher naturalists, Muir captures the spirit of the Sierra Nevada and brings the reader along as a witness to his great journey. He explores in great detail the mountains, meadows, waterfalls, flora, and fauna of the rich landscape that captured his heart. My First Summer in the Sierra is an excellent introduction to the writings of John Muir. This edition contains 30 illustrations. "Oh, these vast, calm, measureless mountain days, inciting at once to work and rest ! Days in whose light everything seems equally divine, opening a thousand windows to show us God. Nevermore, however weary, should one faint by the way who gains the blessings of one mountain day ; whatever his fate, long life, short life, stormy or calm, he is rich forever."
