Tantra is an ancient belief system which preceded and influenced some of the oldest religions of the East, including Buddhism and Hinduism. It is a belief system that teaches that we are all one, not separate. And, the tantra practitioners created special techniques and practices to help us all discover this beautiful fact for ourselves. One of these great practices is known as 'Tantric Massage'.

Lovemaking is so isolated, focusing on only a few zones of the body in popular culture. But, tantric massage teaches us how to make love to the whole of our partner, and for them to do the same for us. The sensual and the spiritual need not be opposites; tantric practitioners believe that great universal truths can be discovered through intimacy. Now, it is time for you to take their advice and find the universe in the eyes of your significant other, for them to find the universe in yours.

nside You Will Learn:

• Exactly what Tantric Massage consists of and, more importantly, exactly what is it's aim and what is not it's aim.
• A litany of benefits; physical, mental, emotional, spiritual, and sexual, that Tantric Massage can provide.
• How to perform Tantric Massage on a Male receiver; both lingam (penis) massage and anal massage.
• How to perform Tantric Massage on a Female receiver; utilizing the yoni (vagina), clitoris, and the elusive G-Spot.
