The House of the Spirits (Everyman's Library Classics & Contemporary Classics) Isabel Allende (Book Jacket Status: Not Jacketed)

Chilean writer Isabel Allende’s classic novel is both a richly symbolic family saga and the riveting story of an unnamed Latin American country’s turbulent history.

In a triumph of magic realism, Allende constructs a spirit-ridden world and fills it with colorful and all-too-human inhabitants. The Trueba family’s passions, struggles, and secrets span three generations and a century of violent social change, culminating in a crisis that brings the proud and tyrannical patriarch and his beloved granddaughter to opposite sides of the barricades. Against a backdrop of revolution and counterrevolution, Allende brings to life a family whose private bonds of love and hatred are more complex and enduring than the political allegiances that set them at odds. **The House of the Spirits** not only brings another nation’s history thrillingly to life, but also makes its people’s joys and anguishes wholly our own.
