**Adobe Photoshop CC (2015 release) Learn by Video** Kelly McCathran
This critically-acclaimed interactive training program from Adobe Press offers exceptional quality high-definition video to teach the fundamentals of Adobe Photoshop CC.

Including more than 15 hours of video tutorials, the course comes complete with lesson files, assessment quizzes, and review materials. Experienced instructor Kelly McCathran presents a comprehensive introduction to Photoshop, including best practices as well as fundamental photography and image editing concepts. Beginning with an overview of the Photoshop interface, Kelly goes on to cover Photoshop's new and improved features such as Design Space (Preview), the new Perspective Warp tool, Noise panel, improvements to Content Aware Fill, and more.

The video is wrapped in a unique interface that allows you to jump to any topic and also bookmark individual sections for later review. The unique "Watch and Work" mode shrinks the video into a small window to allow you to work alongside in Adobe Photoshop as you view the video. Project files used in the lessons are included on the disc so you can practice what you've learned. At the end of every lesson, you can test your knowledge by taking interactive quizzes.
