Jeffrey Liker

Developing Lean Leaders at all Levels: A Practical Guide (Russian Edition) Jeffrey Liker
2016 winner of the SHINGO RESEARCH AND PROFESSIONAL PUBLICATION AWARD, Developing Lean Leaders at all Levels: A Practical Guide is a management Must Read. The Lean Leadership Development Model (LLDM) presented in this book is intuitive and aligns well with accepted principles of operational excellence. It expands significantly on the elements of Lean, structuring them in a more specific way that can be operationalized by lean practitioners. You can learn everything you want about the Toyota Way; you can implement the tools they have created, but if you do not have the behaviors established within your culture, it will not be successful for long-term sustainment of operational excellence. Leadership must walk the talk of true north in every aspect of the Lean Leadership Development Model (LLDM) as conveyed in detail by Dr. Liker in this recent Shingo Award Winning Book. In Developing Lean Leaders at all Levels, we build on the theory in the original book, The Toyota Way to Lean Leadership, and answer the questions: How can I apply this in my organization? What concrete actions can I take to begin the journey of becoming a lean leader? How can I spread this learning to all parts of the organization? What critical tools are needed to turn the theory to practice? This book adds examples from over twenty years of experience by Dr. Liker in working with companies outside of Toyota. The book treats you as a student who will be actively engaged in developing lean leader skills as you read. It acts as a tutorial for beginning the journey.

From reader reviews:

Rick Maldonado:

Throughout other case, little individuals like to read book Developing Lean Leaders at all Levels: A Practical Guide (Russian Edition). You can choose the best book if you'd prefer reading a book. Providing we know about how is important the book Developing Lean Leaders at all Levels: A Practical Guide (Russian Edition). You can add expertise and of course you can around the world by the book. Absolutely right, since from book you can know everything! From your country until finally foreign or abroad you may be known. About simple issue until wonderful thing it is possible to know that. In this era, you can open a book or maybe searching by internet unit. It is called e-book. You can use it when you feel uninterested to go to the library. Let's study.

Gerald Kelly:

Nowadays reading books become more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with education books but if you want feel happy read one having theme for entertaining like comic or novel. Often the Developing Lean Leaders at all Levels: A Practical Guide (Russian Edition) is kind of guide which is giving the reader erratic experience.

Hattie Adkins:

Reading a reserve tends to be new life style in this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or even their experience. Not only situation that share in the textbooks. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors these days always try to improve their proficiency in writing, they also doing some research before they write to their book. One of them is this Developing Lean Leaders at all Levels: A Practical Guide (Russian Edition).

Donna Willeford:

Is it anyone who having spare time subsequently spend it whole day simply by watching television programs or just laying on the bed? Do you need something totally new? This Developing Lean Leaders at all Levels: A Practical Guide (Russian Edition) can be the response, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this new era is common not a nerd activity. So what these books have than the others?
