Human Resource Development in Small Organisations: Research and Practice (Routledge Studies in Human Resource Development)

Human Resource Development in Small Organisations: Research and Practice (Routledge Studies in Human Resource Development)

In its description and analysis of the current context of research and practice of HRD in small organizations, this collection of essays provides a comprehensive and critical evaluation of current approaches. This evaluation leads to an exploration of a number and range of HRD methods as they are applied in the small organization context and provides a range of examples of research and practice which will inform and support the teaching of HRD.
