Longitudes & Latitudes: Chapter 02 True Teargem, Tprinces
After his capture by pirates, Andrew Collins is taken to Chile, where the weather is warm and the women are hot. The captain, affronted by Andrew's virgin status, seems determined to rid him of it.

But Andrew's disinterest in the locals is equal to the Captain's determination, and for once getting what he wants is not going to be as easy a matter as usual for a pirate.

Longitudes and Latitudes is a yaoi-style comic written and illustrated by Tprinces and True Teargem. This volume is 48 pages long, contains some explicit content and includes scenes of dubious consent.

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country.
