Power of the Tongue, Confessing I Am Jennifer Joseph-James, Shaddia Maria-Lyn Joseph-Graham
This book teaches you how to invite the Holy Spirit into your life and understand the power that lies within you. It instructs you on using the most powerful tool God has blessed you with- Your Tongue-(your words). It teaches you how to walk in the purpose of God. Upon reading, yearning for the Holy Spirit comes on stronger within you. You begin to wake up from your dormant walk to an impacting walk. Your words begin to change as they become a reality in your life and in others. As you go through these experiences, allow God to move you to the next level as you continue to yearn for him more and more. Be blessed! Reflecting on how I was raised, I realized how my grandparents/parents confessed words over my life as I watch them come to fruition. As a born again Christian, I yearn for the Holy Spirit to live inside of me. I fast, pray continuously and open myself to the yielding of the Holy Spirit, in so doing; I realize that everything I confess becomes real. As I read the bible more and seek God's word, the Holy Spirit shows me the power of my tongue. I then realized, "How can I have the Holy Spirit within me and not do great things as Christ did? His word said..." Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father" John 14:12. I confess over my kids and husband and see things change for the better. I realized I have to share this with the world. I want everyone to understand what power lies within them; the power of the Holy Spirit."
