The Director's Idea: The Path to Great Directing Ken Dancyger
As a director, you must have a concept, a "director's idea", to shape your approach to the actors, the camera, and the script. With this clear idea your film will be deeper and more effective, and you will be able to differentiate--and therefore make the choice--between competent directing and great directing. Using case studies of famous directors as real-world examples of "director's ideas", the author has provided the theory and the practice to help directors immediately improve their work.

From reader reviews:

Virgil Arriola:

As people who live in the particular modest era should be up-date about what going on or data even knowledge to make these people keep up with the era that is certainly always change and advance. Some of you maybe can update themselves by looking at books. It is a good choice for yourself but the problems coming to a person is you don't know what one you should start with. This The Director's Idea: The Path to Great Directing is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Margherita Pettit:

People live in this new day of lifestyle always try to and must have the time or they will get large amount of stress from both day to day life and work. So , when we ask do people have time, we will say absolutely sure. People is human not only a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will certainly unlimited right. Then ever try this one, reading ebooks. It can be your alternative in spending your spare time, often the book you have read is definitely The Director's Idea: The Path to Great Directing.

Nila Cobb:

Are you kind of occupied person, only have 10 or 15 minute in your day to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you have problem with the book when compared with can satisfy your short space of time to read it because all of this time you only find e-book that need more time to be go through. The Director's Idea: The Path to Great Directing can be your answer given it can be read by an individual who have those short free time problems.

Teresa White:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Director's Idea: The Path to Great Directing can make you experience more interested to read.
