Their Stepsister Alexa Riley
Sweet, innocent, virginal Sarah had never once stopped thinking about her stepbrothers since she left for college. Identical in looks but opposites in personality, the twins were everything Sarah wanted in a lover. Now that sexy little Sarah was home for good, twins Luke and Logan could no longer fight the pull and keep away from her. She'd grown into a beautiful young woman. She had curves that made their mouths water and a body made for two men. Evidently years in the Marines and away from Sarah hadn't curbed their lust or obsession. It was time for Luke and Logan to make a move. It was time for Sarah to learn who she belonged to. She was theirs - heart, body and soul. Warning! Only for readers above 18, this book contains insta-love, taboo romance, menage and double penetration at its dirtiest. Proceed with caution.
