About Your Life After Death H. Spencer Nilson
The purpose of this book is to help people understand what God our Creator requires from us in this life because that determines where and how we will be spending forever in our next life. God never intended our death to be a "hopeless plunge into the vast unknown." Death may seem like our enemy, but when God our Creator calls, death, for all those who have prepared for it, turns out to be their greatest friend.
