Amorous Overnight Robin L. Rotham
What's better than one hot alien at your service? Two hot aliens in your bed. After four months of orbiting Earth in a spaceship bursting with sex-starved aliens, nurse Shelley Bonham will do just about anything to get off. The ship, that is. Not that the aliens aren't hot enough to put her hormones on red alert. In fact, the more time she spends with the Garathani leader Cecine and his personal guard Hastion, the more she wants them. Knowing what Cecine and Hastion are doing to each other when nobody's looking only makes it harder to keep her hands to herself. But she's already been betrayed by one alien-her dead douchebag of a husband. Can she trust her future-and her children-to another? Warning: Contains the usual Robin L. Rotham smorgasbord of m/m/f menage and D/s elements, plus a shipload of alien alphas in outer space.

From reader reviews:

Richard Slawson:

Do you have favorite book? Should you have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each publication has different aim or maybe goal; it means that e-book has different type. Some people feel enjoy to spend their time for you to read a book. They can be reading whatever they get because their hobby will be reading a book. How about the person who don't like reading through a book? Sometime, man feel need book if they found difficult problem or maybe exercise. Well, probably you will require this Amorous Overnight.

Angel Garcia:

What do you ponder on book? It is just for students because they are still students or it for all people in the world, what best subject for that? Just you can be answered for that query above. Every person has diverse personality and hobby for every single other. Don't to be compelled someone or something that they don't would like do that. You must know how great as well as important the book Amorous Overnight. All type of book can you see on many sources. You can look for the internet methods or other social media.

Randall Hernandez:

As people who live in often the modest era should be up-date about what going on or details even knowledge to make them keep up with the era which can be always change and move forward. Some of you maybe will probably update themselves by studying books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This Amorous Overnight is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Jerome Chisolm:

This Amorous Overnight is great reserve for you because the content that is full of information for you who also always deal with world and get to make decision every minute. This specific book reveal it info accurately using great manage word or we can claim no rambling sentences inside. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but hard core information with beautiful delivering sentences. Having Amorous Overnight in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no book that offer you world within ten or fifteen minute right but this reserve already do that. So , this can be good reading book. Hi Mr. and Mrs. stressful do you still doubt which?
