Porphyria's Lover (Complete Edition): A Psychological Poem from one of the most important Victorian poets and playwrights, regarded as a sage and philosopher-poet, ... The Pied Piper of Hamelin, Paracelsus... Robert Browning

This carefully crafted ebook: “Porphyria’s Lover (Complete Edition)” is formatted for your eReader with a functional and detailed table of contents.

"Porphyria's Lover" is Browning's first ever short dramatic monologue, and also the first of his poems to examine abnormal psychology. In the poem, a man strangles his lover – Porphyria – with her hair. Porphyria's lover then talks of the corpse's blue eyes, golden hair, and describes the feeling of perfect happiness the murder gives him. Although he winds her hair around her throat 3 times to throttle her, the woman never cries out. The poem uses a somewhat unusual rhyme scheme: A,B,A,B,B, the final repetition bringing each stanza to a heavy rest.

Robert Browning (1812–1889) was an English poet and playwright whose mastery of dramatic verse, and in particular the dramatic monologue, made him one of the foremost Victorian poets. His poems are known for their irony, characterization, dark humor, social commentary, historical settings, and challenging vocabulary and syntax. The speakers in his poems are often musicians or painters whose work functions as a metaphor for poetry.This carefully crafted ebook: “Porphyria’s Lover (Complete Edition)” is formatted for your eReader with a functional and detailed table of contents.
