You Too Can Speak in Tongues: Encouragement From the Scriptures and Personal Experiences (What the Bible Says Series) (Volume 2) Neil Allen Ross
All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them. Acts 2:4 Everything you need to know about the baptism of the Holy Spirit and speaking in tongues and how to receive the “gift” comes from the simple and easy to understand statements of scripture. This book is just that: what the Bible says about speaking in tongues. If you are wanting to know more about “speaking in tongues” or if you are having difficulty receiving your gift, this book is for you. It will answer most any question you have with a careful and detailed study of what the scriptures say and how they apply to you. It also includes some real-life testimonies from people just like you whose lives were blessed and changed when they received the baptism in the Holy Spirit and started speaking in tongues. All this in an easy to follow, easy to understand question and answer format. This book will bring to light the value and purpose of speaking in tongues with a Biblical certainty you have never heard before. What is Speaking in Tongues? The Bible tells us. Is Speaking in Tongues for You Today? The Bible says it is. Why should You Speak in Tongues? The Bible tells you why. What are You saying When You Speak in Tongues? The Bible says you’re worshipping God. Speaking in tongues is a gift from God, the result of being baptized in the Holy Spirit. Every aspect of the baptism of the Holy Spirit and Speaking in Tongues focusses on you and your relationship with Jesus. Speaking in tongues is an aid to assist you in your worship of God and will transform your Christian experience. If you have been negatively influenced and told that speaking in tongues was only for the early church, that it is not for you today or even that speaking in tongues is of the devil, you may need to read the “Student’s Edition” of “Why Speak in Tongues? Worship, Blessings & Obedience.” It is an expanded edition that refutes almost all of these non-Biblical arguments with simple but profound studies of what the scriptures actually say. God Bless!
