My fantasies are filthy, nasty, yukky things that involve what most men would call 'a very wild fetish with pregnant ladies of older years'. My father's employee has come to take me back to rehab. In this my fantasies can be acted upon. One man's glorious rendition of a kinky symphony of sex.

Sophie Sin brings us the most intensely filthy book in the More MILF Series. Mixing MILF with the Getting Her Pregnant Series, a twisted love child has been born that has more surprises than anyone could ever expect!

Also contains the bonus story Selling The Boss's Wife: All great love stories have to start somewhere.

Sophie Sin is the author of over 500 erotic works from novels to short stories. There's something for everyone in her selection.
