Ambassador Morgenthau's Story Henry Morgenthau
By this time the American people have probably become convinced that the Germans deliberately planned the conquest of the world. Yet they hesitate to convict on circumstantial evidence and for this reason all eye witnesses to this, the greatest crime in modern history, should volunteer their testimony.I have therefore laid aside any scruples I had as to the propriety of disclosing to my fellow countrymen the facts which I learned while representing them in Turkey. I acquired this knowledge as the servant of the American people, and it is their property as much as it is mine.Notice: This Book is published by Historical Books Limited (www.publicdomain.org.uk) as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via DMCA@publicdomain.org.uk
