**E-Flux Journal / Benjamin H. Bratton / Dispute Plan to Prevent Future Luxury Constitution** Benjamin H. Bratton
Equal parts Borges, Burroughs, Baudrillard and Black Ops, *Dispute Plan to Prevent Future Luxury Constitution* charts a treacherous landscape of paranoid master plans, failed schemes and dubious histories. Benjamin H. Bratton s kaleidoscopic theory- fiction links utopian fantasies of political violence with equally utopian programs of security and control. Blurring reality and delusion, they collaborate on a literally psy- chotic politics of architecture. The cast of characters include insect urbanists, seditious masquerades, epistolary ideologues, carnivorous installations, branded revolts, im- ploding skyscrapers, sentimental memorials, sacred hijackings, vampire safe-houses, suburban enclaves, big-time proposals, ambient security protocols, disputed borders- of-convenience, empty research campuses, plus much more. In this mosaic we glimpse a future city built with designed violence and the violence of design. As one ratifies the other, the exception becomes the ruler. The tenth title in the *E-Flux Journal* series. Bratton is associate professor of visual arts and director of The Center for Design and Geopolitics at UC San Diego, whose work in theory spans philosophy, art and design.
