Foucault with Marx

Jacques Bidet

Foucault with Marx Jacques Bidet
Two of the world's greatest political theorists, Foucault and Marx were highly influential during their respective time periods—and remain so today. Bringing the works of these powerful thinkers together for the first time, Jacques Bidet offers a radical synthesis of Marxian and Foucauldian theory.

In *Foucault with Marx*, Bidet investigates Marxian and Foucauldian criticisms of capitalist modernity with unprecedented detail. For Marx, the intersection between capital and the market is crucial, and property-owners make up the true ruling class. Foucault, Bidet explains, argued that organizational elements of capital are key, and therefore managers hold the dominating power and knowledge in society. Labeling these two sides of the capitalist coin as "market" and "organization," Bidet shows how each leads to specific forms of social conflict, and he walks the reader through the catastrophic aftereffects of both. Offering more than just a comparative theoretical analysis, Bidet unites two chief figures of critical social theory at last, and in turn, bridges the long-held separation between the old left and the new.

Comprehensive and decisive, *Foucault with Marx* will enliven dialogues across the political spectrum and interest anyone with a passion for intelligent, thought-provoking social philosophy.

From reader reviews:

Patrick Spradlin:

Information is provisions for folks to get better life, information today can get by anyone on everywhere. The information can be a information or any news even an issue. What people must be consider whenever those information which is in the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Foucault with Marx as the daily resource information.

Adriana Cornell:

Reading a guide tends to be new life style with this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Having book everyone in this world may share their idea. Guides can also inspire a lot of people. Many author can inspire their particular reader with their story or their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors nowadays always try to improve their ability in writing, they also doing some analysis before they write on their book. One of them is this Foucault with Marx.

Catherine Gates:

This Foucault with Marx is great e-book for you because the content which can be full of information for you who else always deal with world and possess to make decision every minute. This kind of book reveal it data accurately using great plan word or we can claim no rambling sentences inside. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but challenging core information with wonderful delivering sentences. Having Foucault with Marx in your hand like finding the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world in ten or fifteen minute right but this book already do that. So , this can be good reading book. Hey there Mr. and Mrs. stressful do you still doubt this?

Aaron Edgington:

What is your hobby? Have you heard in which question when you got learners? We believe that that issue was given by teacher for their students. Many kinds of hobby, Every person has different hobby. And you know that little person just like reading or as studying become their hobby. You have to know that reading is very important as well as book as to be the factor. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You see good news or update concerning something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is Foucault with Marx.
