Outlaw MC romance! Fun-seeking girlfriend tames alpha motorcycle club biker!

If you love witty romantic story with a bad boy MC rider theme, you will enjoy reading Free Fall!

Raina James couldn't remember the last time she'd had fun. Her job took up too much time. Her boyfriend was always out of town. She had enough excuses to write a book about why she wasn't having any fun. None of them made her feel any better. She was twenty-eight. She needed to live before she died. She decides she needs to do something drastic to shock her system out of its slump.

Barrette "Tool" Thomas wasn't in need of anything. He was making more money than ever with the motorcycle club in the gun-running business. His mechanic shop was busier than ever with women breaking off parts of their cars just to get in to see him. He had money, women and whiskey for as far as the eye could see. He was already thirty-five though and he'd have to settle down eventually. He just couldn't imagine romancing any of the bike club bunnies. No matter how good everything seems he still felt like he needed more.

Raina happens upon Tool when heading out of town for her skydiving experiment. Her car breaks down and she ends up outside his shop. He assumes she's one of the MC's groupies and talks to her like it. After a heated argument that ends in her leaving her car and hitching a ride with him back home. Tool can't think of anything else. He wants to hear more of her feisty words and watch her skin turn red some more. Raina wants to get far away from the alpha biker bad boy who somehow managed to turn her on while infuriating her at the same time. They ignite each other like fire and gasoline but could they be just what the other needs?
