Marked (Dark Protectors) Rebecca Zanetti
Janie Kayrs has known Zane almost her whole life. He was her friend in the dream world. She trusted him. But that was before he kidnapped her, spiriting her away to an isolated cabin to learn what her dreams never told her. Like how dangerous he looks. How he got on the wrong side of the negotiating table. And how much sexier he is in real life. . .

Zane is a battle-hardened warrior, used to command and solitude. But Janie has drawn him from the minute they met. His need for her could destroy everything he's worked for, but the risk is too sweet not to take it. They call her the Chosen One. But when it comes down to the questions of peace or war, life or death, safety or passion, it will be Janie who makes the choice. . .

Love is about to start conquering. . .
