Billionaire Online Dating Service. Let us find your perfect match!

Desperate to find a date to his own charity ball, billionaire Gage Tate agrees to give his friend's online dating system a try. Tired of gold-diggers and society debutantes, he wants a woman who isn't after his money, and won't become a bridezilla-wanna-be when exposed to his high-society world and the trappings of wealth.

She never expected a computer program to be her fairy godmother...

Fiona McKenzie returns home from college to discover the family ranch threatened by foreclosure. Desperate to find a way to earn enough money to pay off medical and mortgage bills, she'll do practically anything to save the home she loves. Unbeknownst to Fiona, her stepsisters enter her name in an online dating system, which she flat-out tells them she doesn't have time or the inclination. Her focus is on saving the ranch.

When Gage's date is reluctant to go out with him, he's challenged to win her over. After a little digging, he discovers she's in a tight financially. He sees this as an angle to pay for a date, help her out, with no strings attached when the charity ball is over. Only he didn't count on falling for the pretty cowgirl, turned Cinderella. With her family ranch on the line, Fiona has no other choice than to accept Gage's offer and she's swept into a world of high-society, most girls would consider a dream come true. Fiona isn't impressed, but finds her prince charming a little to attractive to forget when the spell wears off.
