White Wives, Black Lovers: Erotic Romance Joan Vegas
WARNING! This story contains graphic scenes of Interracial Sex, Threesome and Wife Sharing. If you find these offensive, DO NOT read. Otherwise, enjoy! There's just something about having a black lover… Many wives have discovered the thrill of taking a black cock - with or without their husbands' approval. In some cases, it's actually through their husbands' actions and encouragement that they meet and take on a black lover! The pleasure of black lovers isn't just for the wives alone. Surprisingly, many husbands find it exciting to see their wives being pummeled by a black cock. They are happy to see their wives happy, and it doesn't even matter if the black man's cock is bigger or longer than theirs. Some husbands are content to just watch, while others prefer to join in on the fun! Author Joan Vegas is a believer in the benefits of women – including wives – having active sex lives with excitement and variety. She gets letters from men, women and couples who share their thrilling erotic experiences, accounts which form the basis of her books. SAMPLE 1: Jeff was snapping photos of his wife as Burt sucked his wife's breast. I noticed Shelly smile at her husband before closing her eyes to enjoy Burt's oral attentions. Soon Shelly was panting and French kissing with Burt while her hands fondled the large lump in Burt's pants. Her husband helped her step out of her remaining clothes. As he pulled down her panties, she asked him, "Is this is what you want Burt and Andy to see?" and, "Do you want your wife to be fucked by a black cock?" Jeff answered, "Yes, and yes!" He kissed his young wife before stepping back and settling in a chair. SAMPLE 2: After about 5 minutes of him rubbing his cock all around my wife's pussy while kissing her, she broke off the kiss and I heard her tell him she wanted him inside her. Now my wife's pussy is very tight. I have to ease my cock in even when she is really wet, and he was twice as thick. I don't think she had seen the size of his cock at that point, because he started to press the head at the opening of her pussy, and her hands went right to his hips to stop him. She giggled a little and said, "Wow… hold on, big boy. You have to go a little slower. You are pretty big." He told her he was sorry and didn't mean to hurt her. She asked him to go really slow so she could get used to his size. I could see she left her hands on his hips to control how deep he was able to go. Over the next ten minutes he finally was able to get his entire cock inside my wife. That was when she wrapped her legs around Will's hips, and her arms around his neck, and they were again very passionately kissing. I got a little jealous of how passionately they were fucking… but also really turned-on. He was very slowly coming almost completely out of her pussy, and then he would completely bury himself in her again. Every time he would go as deep as he could inside her. I could hear her whimper a little, evidencing her pleasure. I could see the white foam on his cock from her pussy, a sure sign she was loving it.
