M.K. Asante Jr.

It's Bigger Than Hip Hop: The Rise of the Post-Hip-Hop Generation M.K. Asante Jr.
In *It's Bigger Than Hip Hop*, M. K. Asante, Jr. looks at the rise of a generation that sees beyond the smoke and mirrors of corporate-manufactured hip hop and is building a movement that will change not only the face of pop culture, but the world.

Asante, a young firebrand poet, professor, filmmaker, and activist who represents this movement, uses hip hop as a springboard for a larger discussion about the urgent social and political issues affecting the post-hip-hop generation, a new wave of youth searching for an understanding of itself outside the self-destructive, corporate hip-hop monopoly.

Through insightful anecdotes, scholarship, personal encounters, and conversations with youth across the globe as well as icons such as Chuck D and Maya Angelou, Asante illuminates a shift that can be felt in the crowded spoken-word joints in post-Katrina New Orleans, seen in the rise of youth-led organizations committed to social justice, and heard around the world chanting "It's bigger than hip hop."
