Obligation: Underground Kings, Book 2 Aurora Rose Reynolds

At six years old, Myla was sent to a family her father and mother had chosen for her when they knew their time on Earth was almost up. They were unaware that what they thought would be her safe haven would become her living hell.

Kai has been watching Myla from afar since he took over the family business from his father and inherited the responsibility of keeping her safe. When word gets back to Kai that not only is Myla in danger but his assets are also being compromised, he immediately jumps into action and does the only thing that can be done at the time: He marries her.

Neither Myla nor Kai would have thought that something that started off as a farce would become the most important thing either of them could have ever done.
