The Lion's Rabbit: M/M MPREG Paranormal Lion Shifter Romance Wendy Quinn
Rory may have been a shy and demure rabbit shifter, but one day when he's in an extreme bout of heat, he ends up in the arms of his neighbor next door, Malachi, an alpha lion shifter. Now that his heat is tamed, what happens when Rory finds out he's pregnant?

It has been a week since he last saw Malachi. He wanted to stay away, far away from the lion man. He was just far too embarrassed about what happened between them last time. Rory replayed the moment over and over again in his head. It made him dizzy, he wanted to crawl into the closet and hide there forever. But he had rent to pay and a job to keep. He was a bartender at a small busy bar that was nestled in the heart of Ryndor City.
Lately, Rory has been a bit fickle. He’s been snappy towards customers, eating anything in sight, and the smell of alcohol made him spend too much time in the bathroom vomiting. His boss saw him dash to the bathroom and followed him there. Inside, she could hear Rory puking up his guts.
“Rory! My god, are you ok?” Melissa asked, her hands were firmly planted on her stomach in fear.
“I’m -cough- fine. I’m so sorry. For some reason the smell of alcohol has me vomiting every thirty minutes."
“You mean every fifteen minutes,” she corrected.
“No… really? That often?”
Melissa leaned on the bathroom sink and examined him carefully, she wasn’t a shifter, but had one as a close friend. She knew a few things about the odd peculiarities of shifters.
“Rory, you need to see a doctor. You’ve been snappy as heck with the customers, vomiting way too much, and you’ve been coming in late for the last week. If I didn’t know better, I would say that you were pregnant.”
Rory busted out in a small laughter. Him, pregnant? A man having a child? That was ludicrous. But Melissa didn’t look like she was joking.
