A Family Guide To Surthrival:: A Primer on Surviving and Thriving During the Coming Collapse T J Gesinski
A Family Guide to Surthrival answers the following questions and more; How should you prepare your home and family if you are unable to leave due to severe storms, earthquakes, volcanic eruptions, terrorist attack, or a pandemic? How would you survive a power outage that lasts months or years rather than days? Have you made the necessary plans and what is the best plan to feed your family should the economy collapse? How would you stay in contact with your family in the event of a grid failure that disables cellular and landline communications? What alternatives are there if the electric, gas and water distributions systems are disrupted? What are the possible causes, and probabilities, of social, political, economic and/or infrastructure collapse? A Family Guide to Surthrival gives detailed instructions on the techniques and preparations necessary for you to help your family, friends, neighbors and community to not only survive, but to thrive, when your everyday life is disrupted.
