Beautiful Nightmare: Some Dreams Become Your Reality Ashley Marie Nestler
Long ago the world suffered a terrible war, leaving behind only a select few hundred people. Believing that strong emotions fueled the war, those who survived created a town named Lunamoon, where each new human would be altered to be unable to feel emotion. They decide to choose only one man in each generation to be named the dream maker and he would create dreams for everyone to tell them what their jobs and life outcomes would be. The dream maker is able to live in solitude for the duration of his life, but the moment that the current dream maker is born, everything changes. Shawneleigh, a premature child who was born with narcolepsy on the same day as the dream maker, lives on her own in the hospital. Through her sporadic sleeping spells and the connection they made at birth, she and the dream maker are able to connect through her dreams. They become friends and then fall in love. Beautiful Nightmare is a tale of love and faith, showing how we can stand up for ourselves, while standing against those who want others to fail. For through it all, in the end, there is love. First-time author Ashley Marie Nestler grew up in Westminster, Colorado. "I have lived right by the mountains all of my life and the beauty really inspired me with this novel."
