Filled by Doctor (Whole Body Clinic Book 2) Ginny Lacey
Pretty Ashley is disappointed to learn that her regular doctor won't be able to make their weekly appointment at the Whole Body Clinic. When **older, distinguished Dr.** Thorogood offers to fit her into his schedule, she happily agrees, even though she's nervous about how his treatment methods might differ from her other doctor.

Dr. Thorogood proves to be a stern taskmaster and **shy Ashley** reluctantly admits she likes his **dominant** ways. She agrees to be opened in the most **secret place** on her tender person, somewhere that's never been breached before. In the name of good health and wellness, the doctor shows Ashley how demanding his treatment can be, **opening her hard** and **unprotected**, and **filling her up** to the brim.
