Inbound for Pleasure (Bound to Him) (Volume 1) Mindy Taylor
Kierra Foster lives in constant fear. Anxiety has consumed her for the last four years. She cannot stand to be touched, not even by her loving father. She checks the locks on every door and window at least twice a day. She works, eats and sleeps, with no social life, and she's tired of living that way. All that changes on the day that Chandler Thorne steps into the restaurant where she works, and sits at her table. He sees more in her than she sees in herself. He knows just how to peel back the layers of her outer shell, to help her discover who she is, and who she wants to be. He promises her everything, except forever. He's not cut out to do marriage and family. She will never be more to him than his current project, a new submissive in a long string of submissives. He will dominate her, but he cannot love her. She wonders if she can accept his terms without breaking her heart. Will she learn enough that when the time comes, she can let him go?
