When Anna comes face to face with danger at the hands of a man who doesn't know what no means, its the ever-watchful Blaine whose right there to save her. But there's so much more to Anna's dark rescuer than just an intense fascination with her, and the full moon will illuminate more answers than Anna could have ever imagined.

When the truth is revealed to Anna of who - *and what* - Blaine is, she'll have to make the decision of her life. Run away, scared of the unknown, or right into the arms of **the man who wants her as his mate?**

This **7,000+** story is a standalone **HEA romance!**
