In the world of international secrets and clandestine affairs, Boggo Road had quite the global reputation for all types of supernatural criminal cases.

Witnessing an interview with the newest inmate, Spencer Marsh, prison mortician, is drawn deeper into the world of Inmate Ten and his tales of the elusive Invisus Island. A hidden realm where a dark shadow draws a line between the death of mortal man, and the magical world beyond its veil.

Floodwaters will rise, moths will swarm but it’s only when the ancient Borealis Orb activates the two worlds collide.

But is this world ready for the fire eyed Ferryman, Captain Charon and his deadly fallen angels?
