The Reasonableness of Christianity As Delivered in the Scriptures (Clarendon Edition of the Works of John Locke) John Locke
This is the first major critical edition of Locke's 1695 enquiry into the foundations of Christianity. Locke maintains that the essentials of the faith, few and simple, can be found by anyone for themselves in the Scripture, and that this provides a basis for tolerant agreement among Christians. An authoritative text is accompanied by abundant information conducive to an understanding of Locke's religious thought.
