Writing Home: Lewis Nkosi on South African Writing
Lewis Nkosi's insights into South African literature, culture and society first appeared in the 1950s, when the 'new' urban African in Sophiatown and on 'Drum' magazine mockingly opposed then Prime Minister H.F. Verwoerd's Bantu retribalisation policies. Before his death in 2010, Nkosi focused on the literary-cultural challenges of post-Mandela times. Having lived for 40 years in exile, he returned to South Africa, intermittently, after the unbannings of 1990. His critical eye, however, never for long left the home scene. Hence, the title of this selection of his articles, essays and reviews, 'Writing Home'. Writing home with wit, irony and moral toughness Nkosi assesses a range of leading writers, including Herman Charles Bosman, Breyten Breytenbach, J.M. Coetzee, Athol Fugard, Nadine Gordimer, Bessie Head, Alex La Guma, Bloke Modisane, Es'kia Mphahlele, Nat Nakasa, Njabulo S. Ndebele, Alan Paton and Can Themba. Combining the journalist's penchant for the human-interest story with astute analysis, Nkosi's ideas, observations and insights are as fresh today as when he began his 60-year career as a writer and critic. Selected from his out-of-print collections, 'Home and Exile, The Transplanted Heart' and 'Tasks and Masks', as well as from journals and magazines, Lewis Nkosi's punchy commentaries will appeal to a wide readership. Lindy Stiebel is a professor of English Studies at the University of KwaZulu-Natal and visiting professor at the University of the Witwatersrand. Michael Chapman is affiliated as a senior researcher to the Durban University of Technology. He is also an emeritus professor and fellow of the University of KwaZulu-Natal. [Subject: African Studies, Literature, Literary Criticism]

The first thing that you ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the guide untitled Writing Home: Lewis Nkosi on South African Writing can be great book to read. May be it can be best activity to you.

Harold Young:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Writing Home: Lewis Nkosi on South African Writing can make you truly feel more interested to read.
