Legendary... Lavish... Alluring... Luxurious. These are only some of the adjectives to describe this world-famous playground called Atlantis Resort in the Bahamas. Add another one: super-duper-expensive, and the picture is complete. Well, not quite...

This "super-expensive" part of the description did not sit well with the author, so he embarked on a journey of his own: to find the budget-friendly way in. This 7000-word book is the result of his journey. His conclusion: traveling to Atlantis can be done cheaply. Moreover, it can be done for free, or let's say with negligible expenses if you have a good credit history and are willing to apply just a little effort.
*Fly Me to Atlantis* is not a "conceptual" book, as it tells you precisely and in every conceivable detail how to achieve your goal. While this method is extremely easy, the author still offers free personalized advice if the reader hits a hurdle along the way. The book also contains valuable tips on saving money at the Atlantis resort.
