What's the Difference? (Study Guide) (John Piper Small Group) John Piper
A ten-session, guided group study spotlighting John Piper's teaching on biblical manhood and womanhood and the impact of living out God's design.

Scripture is clear that manhood and womanhood are the beautiful handiwork of a good and loving God, contends John Piper in What's the Difference? "God designed our differences, and they are profound." Yet when rightly understood according to God's Word, his vision for both men and women is not oppressive, prideful, or self-promoting. "It conforms to who we are by God's good design. Therefore it is fulfilling in the deepest sense of that word."

This study guide-a companion to the What's the Difference? DVD-commends the beauty and the biblical truth of God's plan for men and women as part of a ten-session, guided group study. Each lesson comes complete with Scripture and key quotations for reflection, penetrating questions, and five daily assignments per week to both prepare group members for and reinforce Piper's powerful teaching so that all may come to recognize and embrace our God-given differences.
