If you are the teacher (or even the parent) of a gifted and talented child, you'll understand the challenges involved in providing the mental stimulation they require. Brilliant Activities for Stretching Gifted and Talented Children will help you to meet these challenges. The book contains refreshing, motivating activities, based on the latest theories and research, to stretch your pupils' analytical, creative and evaluative skills. Activities range from quick warm-ups, brainteasers and maths-focussed activities to entertaining, open-ended exercises for pupils to complete independently. All the activities are photocopiable so that you can easily select the best activity to suit your particular needs. With over 100 activities, Brilliant Activities for Stretching Gifted and Talented Children will be able to keep stretching your pupils for many years to come. While written mainly for exceptional pupils up to the age of 11, this book presents approaches and insights that can apply to virtually any pupil and to any teaching situation.
