Finding Me: In This Castle Built For Me... finding the unknown is nothing but unexplored serenity
Holly Stanbrough
Life experiences, lessons and visions through positive and difficult encounters. Learning from each experience in an impactful ever changing way. Each poem is a life lesson that can be applied to anyone and help them feel empowered to find the beauty within. Life is just so interesting, it's like traveling down a road that has never been traveled....Some of the roads take you places you never want to visit again, just to leave unpleasant memories; but then you travel to places that are so unexpected and exciting you never want to leave....just want to stay forever. Often, roads you would have never thought in a million years you would be traveling. Sometimes those roads are the best roads to travel. I've traveled one of those roads..... This road has been one of the best I have ever traveled. I am fortunate to have had the opportunity to take this journey and travel on roads that would have never been explored to find peace and happiness within myself. Finding me has been a life changing experience. So I say Thanks to myself for believing in myself to have the courage to take the journey of the unknown.....finding the unknown is nothing but unexplored serenity. Now, I pass this on to you, and say thanks for allowing me to share some of my hurts, fears, and journey into a new life of peace and happiness. Always remember if you are unable to travel this journey that leads you to serenity, then allow others to comfort you as you find your way. Everyone has a castle built just for them; look, you will find it when you find yourself. Now, I challenge you to take this journey, travel with me, explore the unknown, and discover as you find the castle built for you.
